

Leadership Development School

This course will cover-

- Identifying your ministry
- Understanding how theology can work for you
- Keys to understanding the Scriptures
- Developing character
- People management
- Preaching to impress or influence?

The course objectives are-

1. To equip those called to lead small groups by developing the practical skills required.
2. To help prepare leaders to work in pioneer churches.
3. To develop a leadership structure within the church which will broaden the base of leadership.

(2 Tim 2:2 NRSV) and what you have heard from me through many witnesses entrust to faithful people who will be able to teach others as well.
